Hi mvphack,

We've checked on our site and see your account is still Joomla Templates Club.

Everything now is ok?

If you see any other problems, please feel free to contact us.

Hope to help you more.

Thanks!

Hello

I'm from Russia

I have paid for membership in SmartAddons Club. After completing payment message appears: Search results for: 2checkout_notify.php

found 0 item

What do I do next?

I want to download a template, but I wrote: You must login to access the document section. If you do not a member of club, please click here to join our club now

Thank you!
