Hi Harry,

The sj virtuemart mega slider module j15(joomla15) is not compatible with Joomla 1.5.26 and VirtueMart 2.0.6

It is compatible with Joomla 1.5.26 and Virtuemart version < 2 now.

Thanks

Hi Harry,

Our vm extensions j15 (joomla15) are only compatible with Joomla 15 and VirtueMart < 2.

We will update them in the next time.

Thanks
