

SJ News - A few questions before I purchase...

Posted by fn247 - 07 Jun 2012 23:46

Hi,

I love the SJ News theme and am thinking of buying it to use on my football website.

What I wanted to know is the homepage slider, is it possible to add a description under the title?

Also for the news catagorys, where the title is in blue on the homepage, is it possible to extend the blue all the way accross to the right hand side module?

One last question in an article, youll notice on the left hand side there is a blank space is it possible to fill that with an advert?

I will buy this tomorrow, if response is quick.

Thanks.

Hi fn247,

* If you want the description to be displayed under the title in the slideshow module, we can help you.

* *"Also for the news catagorys, where the title is in blue on the homepage, is it possible to extend the blue all the way accross to the right hand side module?"*

-> Could you explain it in detail?

* If you want to have the advertising banners on left and right sides, you can install the advertising modules.

Thanks
