

Product title position

Posted by Alejandro quintero - 25 Jun 2012 18:44

Hi

Im trying to find vm category showcase forum, without suces, I hope you can help me

I already installed and work fine, But i need to change the product title to the top of the image

please see atached image

thanks

Hi Alejandro quintero,

If you use the theme 3, please open the theme3.php file in
"your_site/modules/mod_sj_vm_categoryshowcase/tmpl", finding:

[code]

Thanks Works fine with product tittle , but price still on right, its posible to move to the top fo the product image like product title?

Please see attached file how looks now

excelent support thanks

Hi Alejandro quintero,

You can add the code line to the modified code in theme3.php file.

Please see the following code lines.

[code]
